

# Celebrating Puanga 2017

We all came together on Saturday 24 June to celebrate Puanga as a community. We had been very busy preparing Kai to share with our whānau including pumpkin soup, feijoa muffins and lemon star muffins. The children wove small whetū with wool and feathers and drew pictures of their whānau. We shared stories of Puanga/Matariki and represented the night sky in the reading nook. Thank you to all of you that donated food to our local food bank. We combined these celebrations with Manu's 25 years of Early Childhood education, Manu opened in April 1992.
