

PLAY BALL

What a great way to end a busy term with Coach Mike's play ball session down at New Plymouth Old Boys grounds. What fun it was learning to develop ball skills and working together as a team through games led by Coach Mike, Coach Hayden and Coach Dan. Listening carefully for the word 'Bottle of Potion', controlling a ball using feet only, shooting hoops and goals, balancing a bean bag, practicing jumping with feet together, running, driving and catching hoops using skill and coordination.

Ka pai tō mahi Elliot. What did you enjoy most or would like to practice more?
